NSC BRIEFING

27 April 1960

ARAB BOYCOTT

- I. Picketing of an Egyptian ship in New York in a dispute indirectly involving Israel will cause difficulties for American civil and military activities in the Middle East.
  - A. The federation of Arab unions has announced that a full boycott of American ships will go into effect on 29 April from Morocco to the Persian Gulf unless picketing is stopped.
    1. A similar boycott against US planes is to be applied.
  - B. While the boycott may not be unanimous, it is likely to be widespread.
    1. Arabs cannot believe that US government has no power to end picketing.
